

Spot Welding Nickel Strips

technolloy.com/spot-weldingnickel-strips-manufacturer-exporter.html

Technolloy is the most trusted manufacturers, supplier, exporter & stockists for Spot Welding Nickel Strips in India. These Strips are well known for their good finishing, highly ductile, great wear & tear capability, abrasion & corrosion resistant, highly strengthened material and more. These Strips are made in different size, thickness and dimension and are delivered to customers as per their need & requirement. These Spot Welding Nickel Strips are made of best quality raw material and do match national & international quality standard and this helps us to have high demand in the market from our customers. The price at which these Strips are sold are affordable to customers and completely market friendly. When it comes to packaging it is done with prime importance because we know the challenges faced while import & export of product hence we make sure that the product are delivered in good conditions without any damages.

High quality Ni200, Ni201, N4, N6 18650 pure nickel strip for battery

It has good mechanical strength, corrosion-resistant and heat-resistance strength. It is widely used in electric apparatus, chemical machinery, food processing equipment, rechargeable batteries Computers, cellular Phone, power tools, camcorders and so on.

Alloy	Ni%	Mn%	Fe%	Si%	Cu%	C%	S%
-------	-----	-----	-----	-----	-----	----	----

Nickel 201	Min 99	Max 0.35	Max 0.4	Max 0.35	Max 0.25	Max 0.02	Max 0.01
Nickel 200	Min 99.2	Max 0.35	Max 0.4	Max 0.35	Max 0.25	Max 0.15	Max 0.01

18650 Pure Nickel strip / foil tape for battery

It has good mechanical strength, corrosion-resistant and heat-resistance strength. It is widely used in electric apparatus, chemical machinery, food processing equipment, rechargeable batteries, computers, cellular Phone, power tools, camcorders and so on.

Specification:

Alloy	Ni%	Mn%	Fe%	Si%	Cu%	C%	S%
Nickel 201	Min 99	Max 0.35	Max 0.4	Max 0.35	Max 0.25	Max 0.02	Max 0.01
Nickel 200	Min 99.2	Max 0.35	Max 0.4	Max 0.35	Max 0.25	Max 0.15	Max 0.01

Applications:

These Nickel Strips Vastly used for Electric resistance purpose, Mainly in Lithium Battery, Solar Power Systems and many electronic Gadgets.

Our Exports:

Technolloy Inc. Exports Pipes and Tubes in Gulf Countries of Kuwait, Bahrain, Iraq, Oman, Qatar, Saudi Arabia and the United Arab Emirates (UAE) furthermore in European nations of Netherland, Italy, Norway, Slovenia, Spain, Sweden, Switzerland. Also in districts, for example, United States Of America, United Kingdom, Australia, South Africa, Mexico, Turkey, France, New Zealand, Angola, Congo, Kenya, Lebanon, and so forth
