Hey Everybody!

In celebration of it not being fucking winter any longer, I'm organizing a city-wide scavenger hunt!
Create a team of 3-5 people, come up with a super awesome name and register it with me.
The hunt starts at 10am Saturday when I send the list of tasks to you. There is no starting point, your team can begin anywhere. There will be places to visit, things to collect and some videos tasks to perform. Creativity is highly encouraged and will be rewarded! Each task has a point value. Your team will not be able to finish the whole list so play strategically to get the most points!

Play the clues and send me updates throughout the day via fb messenger or posting publicly on this fb group. I will accept proof up until 17h. (if you don't have wifi/data on your phone we can discuss other options)

GROUND RULES:
1. Public transit or biking only! No cars, taxis or uber.
2. All team members need to stay with their team at all times. You may not split up to “divide” scavenger hunt tasks or pay or bribe additional individuals to join your team and complete your tasks.
3. If you can't make it out to a location do your best to fulfill a clue creatively! you could literally stay at home all day and make things out of paper mâchée and I'll give you some points

Send me your teams! Designate one person as your commutations person who I will send the clues to and will be responsible for posting all the proof
