## Supplies

Unplanned Peacock Studio  
Falkland Islands Bulky yarn, 1 skein  
#11 needles

yo= yarn over  
K1= knit one

## Construction of scarf

Cast on 17 sts. Knit 8 rows.

Row 9: K1,[yo, K1]\*, \*repeat till end of row.

Row 10: Knit across, dropping all of the yarn overs off of the needle.

Row 11, 12: Knit

Repeat rows 9-12 until the scarf is 42 inches long. Knit 8 rows, bind off.

Note: You can make this scarf with any 100 g skein of yarn. Just multiply the gauge of the yarn (in sts/inch) you want to use by 5, add 1 if that number ends on a 0, and cast on with the recommended needle size! For instance, sock yarn with a gauge of 7 sts/inch on a size 3 needle would have a cast on of 45 and you'd knit with a size 3. Keep knitting until you have about 4 yards of yarn left, then knit 8 rows and bind off.
