COLLEGE CHARGES

	<i>KFC</i>	<i>CFC</i>
Student in college accommodation	324	90
Student in private accommodation	164	45

KFC = Kitchen Fixed Charge. Colleges are communities where students and academics meet regularly and learn from each other across the disciplines. The KFC reduces the unit cost of meals and helps foster a collegiate atmosphere. Our level of KFC is average for Cambridge colleges.

CFC = Computer Facilities Charge. The CFC helps pay for computing services which everyone uses, like the student email addresses, and for the college computing network.
