

Take heed, ye disciples of divinity!

The time draweth nigh to test your skills in a most horrible case of witchcrafter and perversion of naturall law. With arms, blessinges, prayers, and all things most holy, answer the call in the name of your deity!

Only the most hearty of adventurers shalle be prepared for the hard task at hand. Thus take heed, ye disciples, of severall various necessities:

Demands of character, hereafter listed:

- * a level of 8, with an ability purchase of a full 34 points*
- * at least 2 of these levels being of a divine caster*
- * most certainly, the taking of a patron deity*
- * lawful evil & chaotic evil zealots have no place among the deeds we propose to undertake*
- * be warned, casters of unnaturall arcane magicks, for your presence is highly unwelcome in our quest divine*

Other necessarie particulars, hereafter listed:

- × *an initial wealth of 19,000 gold, but spend not freely - as ye know, the rarity of proper divine magicks in our land makes trade scarce, forcing the cost of all items magicall to rise an additional quarter of the whole*

Prepare thyself as thus, disciple, for the tyme of adventure approacheth most rapidly.

I shalle contact thee again once all the preparations are made. Take haste, my divine fellowes, for tyme runnes short.

*A most loyale servant of the Pilgrimmes of Eternall Order,
REVEREND ALLISTER MÄCHREN*
