*With our union, we shalle purge the land of the evil of

righteousnesse, our superiour grace of the divine
transcendes all and truly makef us a body best united to
restore the order of the naturall.*

*If thy resolve to efface thif monstrous magick
still standes, I beseech thee head forth Easte and North

*Enclosed is a token whereby mine guide shall
knowe thee. Take heed, mine fellowes - the land aheade be
a wastelande of chaotick disorder. Mine Pilgrims stand
as the lone tower of Justice, it thereby be imperative we
