**Comments?**

I'm French. That probably makes it easier for me. The option "Only within a certain" in the abortion question is clearly missing something. That may have been my choice, if I knew what it meant. It also might be helpful to include the 'Dawkins Hitchens' definition of militant Atheist in some way, so that I could check my assumptions of what that means against yours. I probably fit this, but I am not fully sure, as I see some value in some religious ideas and imagery, and am interested in the poetry and psychology of religious and occult thinking, as well as the neurology of some spiritual ...
