

Page 1:

(My life started...
At the moment I began to share it with her.
The beginning of our story together.)

(I want to be with her forever.
I love her.
I love her desperately.)

(I cannot keep this feeling under control.
This feeling... That rules my whole world...
And drags me to her.)

.....

Page 2::

(This feeling is so big that it can't fit in my heart.)

The reason why my skin burns..

There where she touches me.)

(Haru-chan...)

-?

-The phone is ringing.
Who could be calling this late at night?

.....

Page 3::

-Hello?
-Kotomi?

-M-mom?
-I'm sorry for calling so suddenly.
Did I wake you up?

I didn't know what time it was there.
-Don't worry.
It's not too late.
-How are you doing?

Are you eating properly?
What about the school?
Are you studying? And your grades?
-Uhm... everything is okay. You don't have to worry about anything.

All right. I know you're so responsible, but even so...
It's not right that we leave you there alone for so long.
-Huh?

.....

Page 4::

-You see, your father and I have been talking about it lately,
and we think it will be the best.
-?

What's going on, mom?

-We made a good business here, so...

(It can't be...!
I was naive for really thinking we could stay together like this forever.)

.....

Page 5::

-But that's impossible...
Everything in life coming to an end.

(Part A: Unheard feelings)

.....

Page 1 (Yellow): added "This feeling..." because some readers might not know what is being referred to.
Page 2 (Yellow): it was a little hard understanding what the sentence meant, but I think I got it. Let me know if it's not what is being conveyed.
Page 2 (Green): I'm not sure as to what's being said here. Could you maybe explain. My idea is that its saying "The reason I feel warm... in the place that she touches me..."
Page 3 (Yellow): again not sure about the first part of the sentence, "It's not right that we..." I think whats being said is "It's not like we..."
Page 5 (Yellow): This one I have no idea so I reworded it as that.
