A SETTING TO MEET YOUR NEEDS

\$560 spent for a new camera. \$20 for a lunch for two. Spending the day making memories and silly faces at Stanley Park; free of charge.

Four blocks to the Robson Street shopping district; a two-minute walk to waterfront restaurants. Live music in Gastown, fine-dining on Denman, opening nights in the theatre district—everything fun to do in Vancouver is so close to home. Beautiful Harbour Green Park is all that separates the site from the sea, and boat moorage is minutes away. The waterfront promenade outside your front door leads you right into Stanley Park—1,000 acres of beaches, forest, playing fields and greenery.

Welcome to a place where distances are measured in steps not kilometers. Only a skip and a hop away from wherever your heart desires.

Durable, **stylish**, and a contemporary addition to any kitchen. Not to mention it is a step towards being **green**.

Interior Details

LUXURY ALL AROUND

Spend more time with your loved ones instead of worrying about the details. **360** makes it easy for you to customize your home because we know your time is best spent elsewhere.

Choose from a selection of top-quality wood finishes; granite or stainless steel counter tops. Make it **your** home.

Our residences have been designed to maximise form and function, offering open spaces for entertaining and cozy corners for cocooning. Every detail has been carefully considered, and no expense has been spared. Choose from Cherry, Beech, Birch, or Hickory hardwoods. Enjoy stylish contemporary kitchens featuring stainless steel hardware and under-cabinet lighting. You have a choice of three styles of granite slab countertops. Gather around your free-standing cooking island or your glass or granite eating bar, or cozy up in front of your fireplace with a custom-built mantelpiece on those cold winter nights.

There's nothing **better** than a well-lit room to spend your nights or days in. Just be sure to turn them off when you're done.

Choose from a variety of modern lighting fixtures from track lighting to elegant chandeliers.
