

The Epsilon Delta chapter of Chi Omega at the University of Southern Mississippi presents a wonderful opportunity for you to honor the fraternity by investing in a brick that will be installed in the backyard of our home at the Village. This campaign is being kicked off by the family of Miss Julia Bradley, the 2009-10 Chi Omega National Model Initiate. She is the only member of our chapter to receive this highest honor.

This project will include engraved bricks around the back porch, new landscaping, a small meditation garden in the corner next to the house that will feature the memorial stone to Libby Voss (Julia's great aunt), and a stone path from the patio to the back parking lot. With the funds raised by your generosity, we hope to pay for the entire project and provide funding to make necessary upgrades and maintenance to the chapter room. Any money left over will be transferred to Chi Omega's University Foundation account as an investment for our future. This project is not a tax deduction.

Please print the text for your personalized brick order on the reverse side of this form. The three options for bricks are:

1. 4 x 8, maximum of 3 lines, 14 spaces per line (a blank counts as a space); centered text, **\$50.**
2. *8 x 8, maximum of 6 lines, 14 spaces per line (a blank counts as a space); centered text, **\$100.**
3. *16 x 16, maximum of 12 lines, 28 spaces per line (a blank counts as a space); centered text, **\$300.**

Also available is a stone bench that will be placed in the meditation garden. It can be engraved with your own design (as approved by the stone artist) for **\$1,000.** A great way to honor an entire pledge class!

***Engraving for larger bricks can include letters that encompass more than one line. Black and white logos, the crest, Greek letters and scannable artwork are also suitable (no photographs). Submit your text and/or artwork and the stone artist will create a pleasing design.**

There are only a limited number of each size brick available, and you will not want to miss this opportunity to participate in this wonderful project. We will contact you if your selected size is no longer available. We hope to have our new backyard completed by Summer 2011. Call or e-mail if you have any questions. Please make your check payable to **Chi Omega House Corporation** and send it in with this form to:

Erin Granberry, 105 Darby Road, Hattiesburg, MS 39402, 601-264-5706, eringranberry@comcast.net
