iron&pin

Trousers Designed and Made in England

Iron&Pin is the brainchild of Tom Hayden and was born in 2010, a unique concept of artisan craftmanship inspired by the late teachings of his mother. iron&pin has a strong focus on the little details such as unique linings, without straying from the main importance of the overall pattern.

A new staple brand is born...

iron&pin *'Cold-Cut'*

The Iron**&**Pin **'Cold Cut'** Is made in a *Rusty red Twill* with white Lining around the waistband and Pockets. A comfortable and stylish summer trouser.

-It has a Slightly lowered Crotch, tapered down into a slim fitting lower leg.
-Stylish but effective Slanting front Pockets with white lining.
-Back pockets with the Embroided Iron**&**pin Logo.
-Designed so you have plenty of maneuverability even with the lower crotch.

iron&pin *'7:14'*

The Iron**&**Pin "**7:14**" is The Slim fitting trouser in the series. It gives a Smart/casual look to any outfit. Made with Grey Panama, usually used for Suits.

-White cotton/viscose Lining on waistband, Pockets and Inside seams
-Double stitched inside leg
-Tuxedo Slanted pockets
-Turned up hems

iron&pin *'Lotte'*

The Iron**&**Pin "**Lotte**" is a take on the Drop crotch trouser. it uses a light, easy wear Navy Blue fabric. The Right side is extended, and folds round to the front, fixed with a wooden toggle. This comes with:

-A welt pocket with Embroided logo on the front left side
-A wooden toggle
-Gingham lining
