## COFFEE COFFEE

Our cafe team does more than just pour coffee--they set a welcoming vibe that is warm, genuine and inviting. When these people are around, warm coffee is bound to be found, strangers aren't strangers for long, and community is cooked up faster than instant pudding. If this resonates with you, we would love to have your passion in place as part of our Cafe and Hospitality Team! *Email [dprice@fellowshiponline.com](mailto:dprice@fellowshiponline.com)*
