RESORT

THE RESORT

This is The Celtic Manor Resort.
This is luxury.

And it is luxury on a grand scale.
One of Britain's finest destination
resorts, it is nestled in the beautiful
Usk Valley in South Wales and offers
guests an awe-inspiring fourteen
hundred acres of breathing space.

This exclusive earthly paradise will
offer the world-weary connoisseur an
opportunity to relax and indulge, to
rest and revive.

There are three exceptional championship golf courses within the Resort, along with a world-class Golf Academy recognised as one of Europe's leading centres of excellence.

Perhaps you would prefer to succumb to the creature comforts of our luxurious spas or sample the gastronomic delights of our six restaurants. The Resort offers a myriad of other outdoor pursuits including tennis, mountain biking, fishing and clay pigeon shooting.

"Luxury must be comfortable, otherwise it is not luxury."
Coco Chanel

The impressive atrium of the five star Resort Hotel promises our guests a stay in space and comfort.

We offer a wide variety of room types with many offering spectacular views over the golf courses and the Severn Estuary.

Those who prefer a little heritage will enjoy a stay at the 19th century Manor House. The traditional period styling has been preserved throughout and its reception area is decked with original prints and

photos from a time long gone. There are four-poster beds for the romantics among you and deluxe family rooms are available for guests who require a little more space to unwind.

Everything we do is done to make sure your stay is out of the ordinary. The bedrooms at the Resort are spacious and comfortable and all have Italian marble ensuites.

Each bathroom is furnished with luxurious Elemis toiletries and bath products.

Sweet dreams.

*“One cannot think well, love well, sleep well,
if one has not dined well.”*

Virginia Woolf

Our guests are spoiled when it comes to dining and eating well.

We offer a choice of six extraordinary culinary experiences to choose from.

Within the Resort Hotel there is The Olive Tree and its spectacular buffet, Le Patio with its authentic French cuisine and then The Crown - a fine dining experience that we're sure will satisfy the most demanding of gourmets.

And for a change of scenery, guests can choose the gastronomic delights of both The Lodge Brasserie, with its panoramic views overlooking the 18th green of the Roman Road golf course, or award-winning Rafter's, the stunning restaurant at The Twenty Ten Clubhouse.

Just a stone's throw from the Resort Hotel is the Newbridge on Usk, our traditional country pub serving wholesome country fare.

The Newbridge on Usk, a 200-year-old country inn, occupies an idyllic rural location sitting on the banks of the beautiful river Usk. Only a short distance from the Resort itself, it is the perfect location for Resort residents to relax and unwind.

Featuring six stylish en-suite bedrooms, designed with comfort

and elegance in mind, each room has a distinctive design with beautiful furnishings, oak and teak pieces and a roll top bath and storm shower.

The stunning gastro pub combines quaint, old worldly charm with a modern twist. Reflecting the setting, the wholesome country fare is lovingly cooked using fresh, locally sourced produce.

"There are few hours in life more agreeable than the hour dedicated to the ceremony known as afternoon tea."

Henry James

Comfortable sofas, blazing fires, and afternoon tea; what could be better?

Here at Celtic Manor there are many ways to pass the afternoon and one of them is afternoon tea in Merlins. A truly agreeable hour indeed.

For the sport fans amongst you, the Cellar Bar in The Manor House provides the perfect retreat to enjoy a pint and some live sport on the many widescreen televisions.

"Whenever you are sincerely pleased you are nourished."
Ralph Waldo Emerson

HAIRDRESSING giles

For the ultimate finishing touch, complete your pampering experience with a professional hair styling session. Multi award-winning stylist Rhys Giles and his talented team use luxurious Kerastase products for a simple restyle or special occasion styling.

Stay in shape or just leave the world behind you in one of our two health clubs - Dylans or The Forum, which include state of the art gymnasiums and spectacular swimming pools complemented by invigorating jacuzzis, saunas and steam rooms.

Discover three spectacular courses, each with their own character and challenges. The original Roman Road designed by the legendary Robert Trent Jones Senior, the challenging Montgomerie course designed by the Ryder Cup legend himself, or the dramatic Twenty Ten course, the

ultimate challenge built specifically to test the world's greatest golfers at The 2010 Ryder Cup.

In early June the Resort hosts the annual Celtic Manor Wales Open, a leading European Tour event.

There are two clubhouses within the manicured grounds of Celtic Manor.

The Lodge has a distinctly Canadian feel with its open fires, exposed cedar wood beams and hand-cut stone walls. It offers a wonderful space to relax and enjoy the panoramic views over the Roman Road course and the Severn Estuary.

The Twenty Ten is one of Europe's finest clubhouses and a fitting environment for the world's top professionals who will compete for The 2010 Ryder Cup.

Until then our guests can enjoy the oak panelled splendour of the locker rooms or take a perch on the balcony overlooking the course and the Usk Valley beyond.

"The harder you work, the luckier you get."
Gary Player

The state of the art Golf Academy at Celtic Manor is perfect for beginners to the game and experienced players alike.

Our team of professional coaches will provide just the right amount of help and guidance to improve your game, whether that be showing you how to pick up a club for the first time, full analysis of your swing using the latest digital technology, or a few helpful tips to solve that niggling problem.

Children are welcome guests at the Resort, and an action-packed schedule of exciting weekend and school holiday activities are perfect for kids of any age.

There's guaranteed fun for all kids with a super cool games room to hang out in where they can play lots of great games including air hockey, table tennis, table football and pool, plus an outdoor adventure playground has

everything from swings, slides and a sandpit.

The Hideaway Club and crèche cater for children from birth to eleven years of age, ensuring our younger guests never get bored.

There are also dedicated children's swim times in The Forum pool, allowing families to enjoy a fun time together.

The Resort has two professional standard floodlit tennis courts, which have been graced by the likes of Pat Cash, Henri Leconte and Goran Ivanisevic.

A stay at Celtic Manor can also open the door to a whole range of new experiences. Our ideal location, set in

1,400 acres of panoramic parkland on the edge of 23,000 acres of open countryside, lends itself perfectly to all kinds of outdoor pursuits including mountain biking and walking along the Resort's many trails.

Treetops Shooting School caters for all levels of sportsmen including beginners, experienced marksmen and children aged 12 years and over. Our friendly instructors will impart their expert knowledge in a safe and well organised environment.

Guests who prefer a more tranquil pastime can choose to fish at one of the many local lakes or scenic rivers

here in the idyllic Welsh countryside including the River Wye, popular for salmon, or the River Usk for a spot of fly fishing.

The local area around Celtic Manor also boasts an abundance of historical attractions including Tintern Abbey, Chepstow Castle and the Roman town of Caerleon, all within easy reach of the Resort.

Whether it's a wedding, conference, exhibition, a small informal meeting or an extravagant gala dinner, we can offer the ideal venue and the perfect backdrop, setting the scene for an unforgettable occasion.
