

The Return of Enoch:
A Condensed Revelatory Trilogy
In One Volume

By

D.A.Groover

This Work is dedicated to the person I like to call:

God's Wife

She stands upon the seas of tyme

Forever peering at me through Destiny's Door.

Seasons will change as the times will ebb and flow,
There is something strange I thought you should know.

Fate is the key to a found Destiny's Door,
a lost mystery that reveals just what's in store.

The Darkness Falls and runs away from the shades of light,
A rainbow calls the dawn away from the night.
Your soul shines to me like a beacon upon a hill,
Your eyes I see upon a wanton windowsill.

A windowed soul of a wonderful woman so true.

I truly know that I truly have eyes for you.

So take my hand through the dark seas of time,
as my newfound Muse who inspires all my rhyme.

Section 0- The author explains the “official” premise for the novel.

The Two Witnesses, Revelation 11:1-12

¹ I was given a reed like a measuring rod and was told, “Go and measure the temple of God and the altar, with its worshipers. ² But exclude the outer court; do not measure it, because it has been given to the Gentiles. They will trample on the holy city for 42 months. ³ And I will appoint my two witnesses, and they will prophesy for 1,260 days, clothed in sackcloth.” ⁴ They are “the two olive trees” and the two lamp stands, and “they stand before the Lord of the earth.” ⁵ If anyone tries to harm them, fire comes from their mouths and devours their enemies. This is how anyone who wants to harm them must die. ⁶ They have power to shut up the heavens so that it will not rain during the time they are prophesying; and they have power to turn the waters into blood and to strike the earth with every kind of plague as often as they want.

⁷ Now when they have finished their testimony, the beast that comes up from the Abyss will attack them, and overpower and kill them. ⁸ Their bodies will lie in the public square of the great city—which is figuratively called Sodom and Egypt—where also their Lord was crucified. ⁹ For three and a half days some from every people, tribe, language and nation will gaze on their bodies and refuse them burial. ¹⁰ The inhabitants of the earth will gloat over them and will celebrate by sending each other gifts, because these two prophets had tormented those who live on the earth.

¹¹ But after the three and a half days the breath of life from God entered them, and they stood on their feet, and terror struck those who saw them. ¹² Then they heard a loud voice from heaven saying to them, “Come up here.” And they went up to heaven in a cloud, while their enemies looked on.

In the novel the main idea behind the content and the works within is that the Prophet Enoch returns to Earth to soon join forces with the Prophet Elijah. Together they are the two witnesses spoken of in the book of Revelation. Both of these biblical figures never tasted death. But as the saying goes: the only two things sure of in this life are death and taxes. So just as Revelations states they will go to Jerusalem where they will be killed and finally taste death and finally be resurrected 3 ½ days later.

This is a “fictional” story of writings from the point of view of the Prophet Enoch one of the Two Witnesses. Here is an presentation if you will of Enoch’s personal journal as he writes of things he dreams and sees, after he returns to earth before he is to fulfill the prophecies written in the Book of Revelations that are soon to come to pass.

Section 1-The Triple Eight of a 24 hour day of the Lord

In the 2010th year of the 10th month on the 17th day during the term of the ruler of my Land, President Obama I was taken into Heaven through visions and Dreams. I looked down on the Earth from the vestige of Eternity and saw what I knew I saw and what I knew I would find. The Earth was a Wheel Spinning on the Axis of all that was seen riding on a wheel of Time that was but a Dream. The Dreams so real yet very surreal know the lies of the night we saw were a night that was true and a place we feel.

There was a corridor upon a corridor where the wheels of Hyperspace were kept. Where they were kept no one knew and the beasts cried out upon the darkness of the day that was soon to become a Paradise Eternal Night. The beasts Sang:

*Elohim, Elohim, how great is the Night we have Seen.
Adonai, Adonai, how must we seek Tenfold to Try.
Iesous, Iesous, peals of Lightning Fly upon the Zen Zeus.
The Father, Son, and Spirit walk as One within the Wheels.*

I saw the cruci-Fiction of The Earth and like Christ it was carried out by mankind.
And I heard the beasts say:

*Eight hours equals 1000 years.
Three Eights to Assuage our fears.
The Cycle reverses in Eternity.
The Past is the Future we all will see.
The Dream of Death is that it is in fact Night.
2000 years of darkness and 1000 of Light.*

Section 2-God's Wife

In the 2010th year of the 10th month on the 21st day in the term of the Ruler of my Land, President Obama, One like the Son of man came to me. He commanded me to seal these words to the World and Proclaim Loudly:

Thus saith the Lord God Adonai:

“Verily I say unto thee, it came to pass that the Prophecy of the Zark Particle was fulfilled. Given All Eternity, The Celestial Kingdom needed room to expand its population of Eternal Beings.

For the Truth in Fiction Lies in the Pure Fact, the Woman on the pictured on the Heavenly cover of the Book of Life is in fact God's Eternal Wife. She was born in the End Times of the 13th B'ak'tun for the Quetzalcoatl who returns to you soon is Entrusted with Protecting her.

The Ada-mic Mikael the Archangel, yea, verily I say, he also has the job of entrusting the protection of her against the dark one. For when the Earth is directly over the bottomless pit of Millennial Imprisonment, Mikael, will cast that Serpent Down to Avenge the Rape of his Eternal Wife in the Garden so long Ago. The Child Cain killed his Half Brother Abel to avenge the travesty that Lucifer had committed.

Lucifer will be stopped for a time, times a time plus half a time.

If you see the image of God's Wife on a Temple Body that moves through the Space-Tyme Continuum, verily I say to thee, watch what thee say...

There are Legions of Angels under Mikael's Command that protect her.

Were someone to try and kill her, God's Will and Providence will Protect her above all things that crawl or walk upon the face of the Earth. Enoch never tasted death... Nor will she...

I have placed a MARK of Protection from the Heavenly BLUE energy that I represent. This mark of INK signifies, yea this is a Woman in the Spirit of ENOCH. For she is the SOUL Energy that God mingled with in the Non-Eternal State to create his son, The Judge of Judges, The Prince of Peace, and the Jesus Christ Royal Master.

Verily I say to thee, do not forget the Words of the Prophets. For the Prophets are never welcome in their own countries,

but unloose the Words of God upon the mind of Mankind. Amen.”

Section 3-The Mystery of the Trinity

In the 2010th year of the 10th Month of the 22nd day in the term of ruler of my land, President Obama, I was taken up to the throne of God in dreams and visions. I saw peals of lightning and roars of thunder issuing out from the throne. There was a great wheel of time before the throne. A saw the four beasts before the throne singing songs of praise to the Wheel and the Throne of God. The Song they sang this day in Eternity was:

Amazing Grace that broke the Wheel.
It took the dark of time.
The dance we made upon the grave,
To drink the Martyr's Wine.

The Sound I see upon the Sea,
It took me from my Release.
The Sounds of Day within we Be,
A Day of Eternal Peace.

The chariots of fire can see the sound,
They fly upon the skies.
The darkness down, which we drowned
was part of God's great Eyes.

The Queen of Dreams and Nights we see
Took All the dark release.
She holds the hand of a Violet Strand,
For the Song of Songs will Cease.

He dances upon the star of stars,
upon the dance of light that's far.
She loves her man and understands
the Truth of Who we Are.

The God of Gods Reaches in the Night.
The Bane of Beelzebub is Right,
Into the darkest whole of day,
the ones we see are dark away

Into the sea of souls we plunge
The nights of lights we lunge,
The dream of Dreams we fold.
A folding tyme we seem to hold.

Then the beasts fell down on their faces and I heard a voice from the heavens proclaim:

**The Mystery of the Trinity is simple in fact.
The Eternal Source Energy of the Father is the Soul of God.
The Body of Jesus is the Temple of God.
The Soul within the Temple joined creates,
The Spirit of God, which is to say, the Mind of God.**

I looked towards the Wheel of Tyme...
It was mesmerizing and it beckoned me to ask a question, so I did.

Three in One and One in Three what is the Mystery of the Trinity?

The voice boomed:

**The Soul sits in the Body and the interaction makes the Mind.
Soul is the Father in You.
Body is the Christ in You.
Mind is the Spirit in You.**

You as Children of Gods hold the Mystery Within you.

Section 4-The Parable of the Three Goldfish

Once upon a time there were three goldfish in a Aquarium kept by God.

The fish God called: Peon, Muon, and Leon.

Peon was the largest.

Muon was the middle size.

Leon was the smallest, of all the "fish" in God's sea.

The other fish were too lazy to swim to the top of the fish bowl and eat the manna God sprinkled there, except for little Leon.

He ate the manna and grew and grew until one day he was bigger than Muon.

Leon got very hungry.

Having eaten all God's Manna infused with Word, Leon swallowed Muon Whole.

After digesting Muon he shit out in the Aquarium what was left of Muon.

Peon being too lazy to rise to the top and eat the Manna went to the bottom and ate the shit that Leon just took.

Soon Leon grew very big from God's Manna and then ate Peon.

All alone he ate God's Manna infused with Word and

grew

and

grew

and

grew...

God was pleased with Leon.

Good Friday has arrived.

God made a decision about Leon.

Leon had been judged by God to be the most worthy of the 3 fish.

God reached into the Aquarium and deftly snatched Leon out of the Bowl.

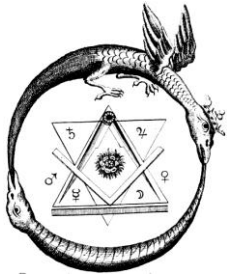

God gutted Leon.

And from what was left made three fish sandwiches for Lunch on Good Friday.

The Father, The Son, and The Holy Ghost dined on the remains of Leon.

God's plan for Leon was fulfilled.

Section 5-The Wayward Circle of Ouroboros created by the Serpent known as EVE

In the beginning of Tyme, Man was created in the Image of Gawd.

In the Garden of Eternity, Man ate the Kiwi from the Tree of Knowledge. This caused man to Man fall from grace and over many AEONs and Millennia, man climbed up the Gracial Ladder.

He evolved into something more intelligent, more knowledgeable, and more civilized than the generations before him.

One day Man woke up and unplugged himself from the Matrix of Reality that his descendants created...

He realized that he was Gawd, as was all of Man-kind.

At this point he stepped out of the space-tyme continuum.

He became one with Eternity.

He then transplanted himself into the past. Made into his own image he killed off the previous race of Man in a great mass genocide.

Each cycle of the Serpent Eve Eating her own tail is a iteration of the Eternal Evolution of Man.

IE Neanderthal >>> Homo Sapiens >>> Homo Superior >>> Et al

Eat All you want we will Eternally Make more.

Section 6-The vision of the Wheels of Tyme.

And I Enoch was taken up in a vision from the depths of my Dreams.
I saw a wheel of Tyme that spun endlessly round and round.
The wheel had eternal energies that moved around the wheel in bodies that carried them.
Wherever the bodies went the Wheel also took them.
But the secret was the vehicles thought they were limited.

This is the mystery of the World versus the Wheels on the face of time.

Our bodies are like wheels. The wheel is a temple that houses a holy energy that always was, always AM and Always will be for we are Children of the Most High God.

When a God has a Child does he beget a baby man or a baby god? We are gods as children of God the Universal Father in creation.

We existed before we were born and we existed before we came to this existence. Things we experience and trials we face were selected by us as Trials and Temptations to test ourselves and make our Soul Energy Stronger.

The Interaction of the Eternal Soul Energy plus the Body formulates our Mind, the intellect of reason. When the wheel wears out and the Body is Gone we continue on. When we reach the next wheel upon the wheel of Tyme the new body and the old soul produces a changed mind.

This site is about humanity and our condition that society, ourselves, our friends, and even our parents raised us to be self-limiters. We limit ourselves with negative self-talk and ideas that we can't do something, or that an idea is crazy to speak of or entertain.

The 14th Baktun is set to begin on 12-21-12. Unlike the doomsayers this will be an age of Enlightenment and a change in the world where the powers that be will bow down to the emergence of a World-wide Christ Consciousness.

Section 7-The Vision of the Four Beasts and the Last Days of the World

I was taken from my body as I dreamed softly in the cradle of God's loving Arms and behold I saw a dragon before me rising from the sand of the seas of tyme.

Behold that great dragon had taken root in the world yet the world knew him not.

The dragon had a Pawn in the North that was divided in two.

The Bear made his bed with the Dragon while the Eagle tried to protect the South King to the Northern Pawn of the Dragon.

The Eagle began to grow weakened from stretching his arms of influence around the four corners of the earth.

The Lion of the 12 tribes lay dormant preparing for an imminent attack from the Kings of Persia.

I cried to the heavens:

When must this end my Lord?

When will the King return to end the suffering of all my people upon the Altar built across the four corners of the World?

There was no answer.

As the Roman God Placed Governments of the Eagle, Lion, Bear, and Dragon prepared to make war on themselves, I could only watch and wait for the time was at hand.

The four beasts will take the world to the brink of destruction soon...

And the King will return at the last moment in the appointed time for his thousand year rule.

Before the rule starts the Earth shall be aligned directly over the Black Hole of the Bottomless Pit of Satan's Imprisonment.

And the King of Kings shall rule for a thousand years.

At the end of that time the King shall unloose the great dragon and destroy him once and for all.

There will be a great Cataclysm and the Heavens and Earth will pass away.

But yea from the Mind of the Universal Father and the Word of God there will be made a new heaven and a new earth, and a world without end, populated by the Eternal Souls that passed the test of Judgment Day and have eaten from the Tree of Eternal Life.

AMEN.

Section 8-God's Wife Part II

After a night of fasting and prayer waiting for my time to come, I lay down to sleep.

I was awakened by a mischievous laughter that sounded like Heavenly Choirs had come down to Earth.

I looked up and saw I had been visited by the Queen of Heaven, Marie, the Wife of the God Almighty.

She looked content and she smiled the smile I have always known as the Lady of Hearts who sat on the Left of the throne while their Son sat upon His right.

Many people fail to understand that Mary was the Earthly Vessel that brought into Existence the Earthly Body of Jesus Christ. But the Eternal Energies of God the Father and Marie, Queen of Heaven, were mingled before the foundation of the World to Create the Energy of the Son. This energy was born into the Earthly body of Jesus that was formed from the union of God the Father and Mother Mary.

I smiled at her, "Yes, my lady, have you come with news from the Father?"

She laughed, "Don't be a Dee Bag, Enoch. I am no one's messenger but my own and as much as the Father would like to control me, my Freewill is so strong that I pretty much do as I please in Earth and in Heaven."

I smiled inwardly as I knew she was right. The Father choose her to be the Eternal Mother of His Only Son as this Free and Strong Spirit within her would allow their Son to Endure many of the trials, sufferings, and temptations he would face on this Earth. In the 2000 years of darkness since her Son ascended to Heaven, no one seemed to understand the true duality of existence and the illusion of Reality that the Godhead had constructed.

Marie spun around gleefully and opened her hands and blew down upon them.

A single butterfly lit from upon them and fluttered happily away.

She flicked a finger at it with a slight carving motion and a fire flew towards it. The fire morphed into a Flaming Dragon as it approached the Butterfly. The Butterfly tried to fly quickly away from the All Consuming flames but as it flew away it was slowly consumed by the fire of the Dragon. As the flames consumed it I distinctly heard tiny screams erupt from the butterfly...

"That is you, Enoch..."

She continued, "When the Dragon Consumes you with Fire do not be afraid. For when you die and leave this plastic thin world, you will wake up in Hell. There among the infernal fires of

damnation you will give the last sermon of the Two Witnesses of the Eternal God, my husband and my God...our God for three and one half days, one Witness per day for Every Year of the Sevenfold Tribulation upon Mankind that you and Elijah will close.”

She gave a cynical small smile upon her face, “Do what you must. But realize when you are burning in the fires of Damnation, everything is not puppies, Xmas cheer, and other fluffy things. You will want to scream in pain of the Fires like the butterfly you saw. Don’t be a Dee Bag and utter the pitiful Scream of a Butterfly. Be strong and Do what you were sent down there to do. At the end of the Eighty-Four Hours, you shall be resurrected on Earth by my Son, the Prince of the Twelve Apostles and Tribes. It is then you will truly reap your reward laid out for you for your faithful service to the Father.”

I began to open my mouth to ask a question...

As soon as I formulated the thought in my mind, she was gone. The only trace that she had been there minutes before was the charred remains of a Butterfly that screamed to His Death....

Section 9-The Baptismal Waters and the Refining Spiritual Fires of Destruction

I looked into the pages of phrases of things once known and unknown, yet all a piece of the collective unconsciousness of mankind.

I saw the seven color rainbow formed as a promise with the Waters of Noah's Flood that Baptized the Human race.

I saw the threefold: birth and death and resurrection of the Eternal Son who gave mankind the ability to be spiritually born again.

I saw the one way of mankind, the path of the straight and narrow. The Way is fraught on every side by the machinations of Satan and his fallen Angel Demonic Minions placing the Spiritual Refining Fires before mankind as a Test to see if man is worthy to eat of the Tree of Eternal Life.

Section 10-The Trinity in Daniel Twelve

The Book of Daniel Chapter 12: The Time of the End

- 1 And at that time shall Michael [Rev. 12.7](#) stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation *even* to that same time: [Mt. 24.21](#) · [Mk. 13.19](#) · [Rev. 7.14](#) ; [12.7](#) and at that time thy people shall be delivered, every one that shall be found written in the book.
- 2 And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame *and* everlasting contempt. [Mt. 25.46](#) · [Joh. 5.29](#)
- 3 And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness, as the stars for ever and ever.
- 4 But thou, O Daniel, shut up the words, and seal the book, [Rev. 22.10](#) *even* to the time of the end: many shall run to and fro, and knowledge shall be increased.
- 5 ¶ Then I Daniel looked, and, behold, there stood other two, the one on this side of the bank of the river, and the other on that side of the bank of the river.
- 6 And *one* said to the man clothed in linen, which *was* upon the waters of the river, How long *shall it be* to the end of these wonders?
- 7 And I heard the man clothed in linen, which *was* upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever, [Rev. 10.5](#) that *it shall be* for a time, times, and a half; [Rev. 12.14](#) and when he shall have accomplished to scatter the power of the holy people, all these *things* shall be finished.
- 8 And I heard, but I understood not: then said I, O my Lord, what *shall be* the end of these *things*?
- 9 And he said, Go thy way, Daniel: for the words *are* closed up and sealed till the time of the end.
- 10 Many shall be purified, and made white, and tried; but the wicked shall do wickedly; [Rev. 22.11](#) and none of the wicked shall understand; but the wise shall understand.
- 11 And from the time *that* the daily *sacrifice* shall be taken away, and the abomination that maketh desolate [Dan. 9.27](#) ; [11.31](#) · [Mt. 24.15](#) · [Mk. 13.14](#) set up, *there shall be* a thousand two hundred and ninety days.
- 12 Blessed *is* he that waiteth, and cometh to the thousand three hundred and five and thirty days.
- 13 But go thou thy way till the end *be*: for thou shalt rest, and stand in thy lot at the end of the days.

IS the trinity explained clearly in Daniel Chapter 12?

Verse 5: Two Men and a River.

The River is the Spirit of God that runs between the two men.

The Spirit of God that is to Say. The River of the Spirit (God's Eternal Wife) is the Life Giving Water of all living existence. The River of Blood is the Lunar Flow that is the curse of Eve passed on to all her children.

Verse 6: "ONE", the Father says to the Man walking on the water IE he was upon the

river of the Spirit of God. There is only one man who is famous for walking on water, Jesus Christ.

God's Word is Ageless Timeless and the Creative Mind of Mind spawns truth in all the words that man pens be it:

1984, The Holy Bible, the Torah, The Baghavad \-Gita, Walden Pond, The Raven, The Koran, The Urantia Book, The Book of Mormon....et al....

The Spirit of God is a Woman. It is thru God's Wife that the Son was born into Eternity. Once in Eternity it was thru Mary that the Son was physically born into the space-tyme continuum. Both Mary and Joseph were the Earthly parents of Jesus.

The Trinity is a Holy Eternal Family that exists.

The Father-Yahweh

The Son of The Father and the Spirit of God-Jesus Christ

The Spirit of God, God's Eternal Wife, Maria.

Together this Trinity is One.

For the Soul of Yahweh shatters in the ageless Cataclysm at the end of the thousand year reign of Christ on Earth.

This Shattering destroys the universe but provides the seeds of the souls of the next iteration of "human" inhabitants in the next Universe created through Word.

For in the beginning was the Word and the Word was God and all things were created thru Him.

For the Love of the Son is a Earthly Sacrifice to the World.

For the Love of the Father is a Eternal Sacrifice to the Spirit.

And the Love of the Spirit is a Infinite Sacrifice that ties the Two into

ONE.

AMEN.
