SlackFolk

...is for any style of acoustic music, singing, poetry and spoken word

2pm to 4pm on the second Saturday of the month

SlackFolk presents a platform to acoustic solo artists, bands, and poets of all ages and experience and provide an opportunity to showcase their material in a 15 or 30 minute set (booked in advance). And to offer everyone - musicians and non-musicians alike - the opportunity to escape the chores of a Saturday afternoon, and hear some great local acoustic music and verse.

All are welcome and we appreciate your support!

Slack Space can be found at 19-29 Queen Street (formerly Shoe World on the corner by the Bus Station)
