### *Menu Notes*

The above menu gives you a general idea of the items and options we regularly produce. If you would like to discuss custom flavor or design options, please feel free to get in touch with us via email to set up a consultation. Additionally, if you are interested in specific flavors for any of our treats, cookies, pies or breakfast bakes don't hesitate to ask! We try our best to use local and/or seasonal flavors and ingredients for our products and want to make sure you have the most updated listing to choose from.

All of our baking is done in a kitchen where nuts, wheat, and other allergens may be present. If you have a dietary restriction, please let us know and we will do our best to accommodate your needs. Several of our recipes are available low fat, low sugar, dairy-free, or vegan and we would be happy to work with you to come up with a treat everyone can enjoy!
