What starves, dies.  
What stirs you?  
What stops you?  
What stops you?  
What thrills you?  
What, not why.  
What's behind that?  
What's not working?  
What's the WHY?  
What's your practice?  
Whatever happens, happens.  
When ready, plop.  
When, not what.  
When, not whether.  
Whether, then how.

Whining is suicide.
