SKILLS

Manual Skills

- Proficient with most power tools
- Basic set design, construction and carpentry
- Basic plastering and effects painting
- Animation and Storyboarding
- Experienced designer, draughtsman and portrait artist
- Prop design and building

IT

- Photoshop, Flash, Illustrator, Final Cut Pro, After Effects
- Extensive experience as a graphic designer, specifically poster and t-shirt design

Other

- Clean driving licence
- PADI Open Water Diver License

Hobbies and Interests

When trapped in the house between projects I keep myself busy with baking, homebrewing and cold smoking meats and cheeses. Otherwise I enjoy cycling, boxing and distance running. I'm also involved in the DIY punk music community and regularly design t-shirts and posters
