*Visiting us in
Bristol.*

Hello there.

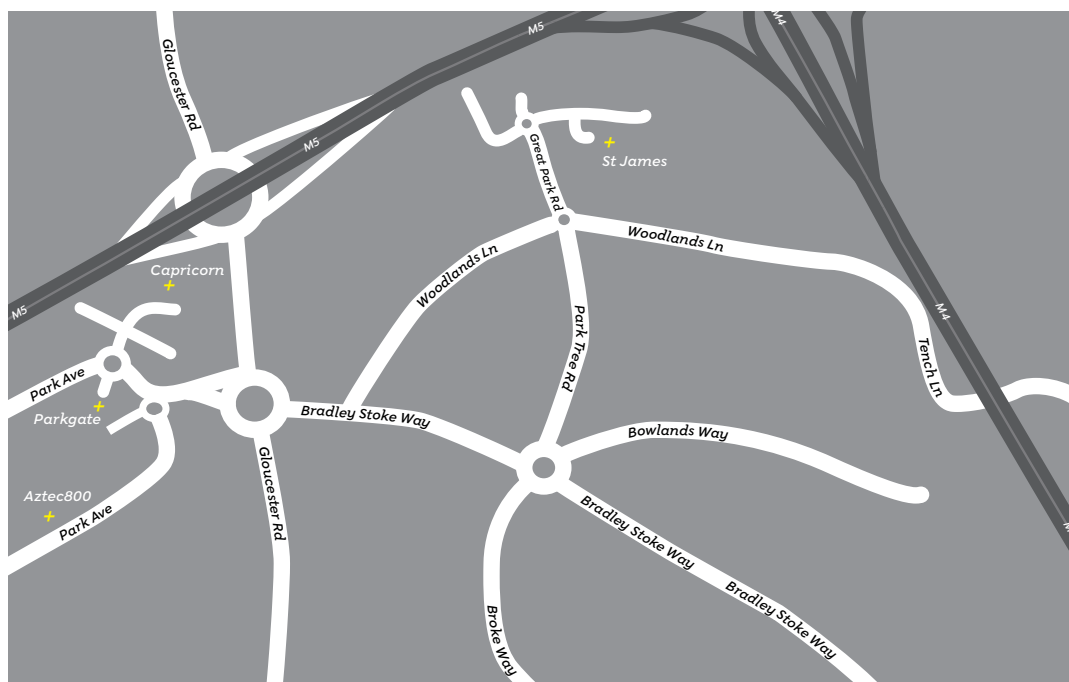

So you're coming to see us. Great – we'll be sure to have the kettle on. In the meantime though, there's the small matter of actually getting here. Well, we've got that covered too. The next few pages will tell you everything you need to know about visiting us here in Bristol – whichever of our four offices you'll be popping in to.

Where we are.

We have four offices in Bristol; Aztec 800, Capricorn, St James and Parkgate all within a stone's throw from each other. All four are only a few minutes drive from the M5 if you're driving and parking is available if you need it. If you're coming by train into Bristol Parkway then there are a few buses you can hop on too.

Here's a map to show exactly where you can find us.

The addresses of our offices are:

Capricorn:

Getting here on the train.

Getting to Bristol Parkway by rail is pretty straightforward. From London the journey takes under an hour and a half and trains leave Paddington every half hour (at 15 and 45 minutes past to be precise). You might still want to check for delays or engineering works at www.nationalrail.co.uk before you leave, though.

Once you get off the train.

There are a few ways to get to our offices from the station. You can jump in a taxi – there's usually a few sitting in the rank outside the station, and the journey only takes about 10-15 minutes.

You can also hop on the 73, 73B or 312 buses, all of which stop right outside the train station. The trip takes roughly 20 minutes and you should get off at Patchway, Aztec West Roundabout/Woodlands Lane. You'll have a short walk on the other end, but follow the directions below and you should have no problem finding whichever office you're coming to visit.

If you're popping in to St James, you should turn right at the roundabout onto Bradley Stoke Way. You then need to take the first left onto Woodlands Lane. Just follow the street round. At the roundabout, you should take the first exit left into Great Park Road, followed by the third exit right. Take the next right, and St James is there on your left.

For Aztec 800, you should turn left at the roundabout (just follow the signs for the Aztec West Business Park). Follow the road until you reach a second roundabout. You need to turn left here. Then just keep on down the road and we'll be on the right – you can't miss us.

If you're heading to Capricorn or Parkgate, you should start off by turning left into the Aztec West Business Park as well. But instead of turning left at the second roundabout, you should take a right. Keep going to the next roundabout and you'll spot Parkgate on the left (as the name suggests, it's pretty much the first building after the roundabout). Take the third exit right for Capricorn, into The Quadrant, straight over another two roundabouts and we're down the bottom to the left.

If at any point you get lost, give us a ring on 0870 376 8888 and we'll be happy to help. But however you choose to get here (and whatever office you're visiting), remember to pop in to the main reception to let us know you've arrived.

Getting here in the car.

Starting on the M4, you should take Junction 20 for the M5 heading South. Stay on the road until Junction 16, then take the first exit onto Gloucester Rd/A38. You'll then come to a second roundabout and should be just a few minutes from all of our offices.

If you're coming to see us in St James, you should take the first exit, turning left onto Bradley Stoke Way. You then need to take the first left onto Woodlands Lane. Just follow the street round. At the roundabout, you should take the first exit left into Great Park Road, followed by the third exit right. Take the next right, and St James is there on your left.

For Aztec 800, you should take the third exit and turn right at the Gloucester Road roundabout, following the signs for the Aztec West Business Park. Shortly after, you'll reach a second roundabout. Take the first exit here, then just keep on down the road and we'll be on the right – you can't miss us.

If you're heading to Capricorn or Parkgate, you should start off by taking the third exit into the Aztec West Business Park as well. But instead of turning left at the second roundabout, you should take a right. Keep going to the next roundabout and you'll spot Parkgate on the left (as the name suggests, it's pretty much the first building after the roundabout). Take the third exit right for Capricorn, into The Quadrant, straight over another two roundabouts and we're down the bottom to the left.

Depending on how busy the car park is, we might ask you to park at one of the other offices. All of them are just a few minutes' walk away, but if you're the sort of person who always forgets their brolly, you can get your contact at Everything Everywhere to book one of our visitor spaces for you in advance. And whatever office you're visiting, remember to let us know when you get here.

Come on in.

Once you've signed in at reception, our staff will let the person you're due to meet know you're waiting. We'll also keep you updated until they come and collect you, just so you know if they're stuck in a meeting.
