SUMMARY

Professional and motivated designer looking for a position that utilizes my pre press knowledge, experience, creativity and my talent as a designer. After years on the manual end of printing, I've become more interested in focusing on the creative side. I enjoy working independently, as well as working one on one with clients to create a final product that we are both pleased with.

01

EDUCATION

(2008-2010) Art Institute of Austin
(2006-2007) Austin Community College
(2003-2006) Houston Community College
