Tournament Rules:

1. This tournament is a Scotch Doubles Tournament, consisting of 4 games on the same pair of lanes. Teams can consist of 2 women, 2 men, or mixed.
2. Scotch Doubles format will be used: Partner #1 throws the first ball. Partner #2 shoots the spare. If Partner #1 gets a strike, then Partner #2 Throws the first ball of the next frame, and Partner #1 will shoot the spare, and so on. (Just remember no bowler will ever throw two consecutive balls in a game)
3. Handicap will be based on 90% of the difference between each bowler's average and 210, which will then be combined and divided in half for each game since each bowler is only bowling half a game.
4. Tournament average for handicap will be based on the following:
 - A. Your highest current USBC average of at least 12 games.
 - B. If bowlers do not have a current season average, then they will use their highest current book average or most recent book average.
 - C. Bowlers without an average will be assigned an average.
 - D. Average verification is the responsibility of each bowler. If averages are not verified, the bowler will be assigned an average.
5. Standings will be based on the teams combined score after 4 games with handicap.
6. Participants must be 18 years of age or older.
7. In a case of a tie, prizes will be divided accordingly.
8. Bowlers may bowl multiple squads, but may only 'cash' with the same partner once.
9. All decisions of Tournament Management are final.
