

Hey There

Easy morning
Seize the moment calling
There's so much one can do within the day
Take a ride or contemplate inside
You never know what's coming round the way
Till you caught my eye
What a wonderful surprise
I hope this feeling lets me find the words
To tell you how I feel
This could be something real
And maybe we could start our brand new world

Hey there
Can I catch the sunlight in your eye
Hey there
Can I catch the sunlight in your eye
Would that be alright
x2

Kindred feeling
Connected to the meaning
Rejoicing in the beauty of the day
Smiling faces
Golden from all races
I know that better things will come our way
Then you caught my eye
What a wonderful surprise
I hope this feeling lets me find the words
To tell you how I feel
This could be something real
And maybe we could start our brand new world

Sunrise and motions in summer
Flying we glide to discover
