

# The Richmond Park Tavern Pool Ranking Tournament July 2011

Attention all pool players,

In order to establish the best pool players in the pub and also to create a bit of interest in a sport-less summer TV schedule we will be holding a ranking tournament throughout the month of July. The idea is to pit players against a number of other randomly chosen players in order to find the most consistent of us. This will then be displayed in the bar and will be used to seed players for future tournaments. It will also be used to create a challenge system which will be introduced and explained clearly at a later stage. The first plan is to create the table itself.

There will also be a cash prize for the top 2 positions at the end of the month and a nice bottle of Champagne. The good stuff!

You can register at the bar with any member of staff.
