Who are we, and what do we do?

We are a friendly, experienced local healthcare company that specialises in providing quality healthcare equipment to nursing homes, hospitals, and individuals. With forty years experience, we understand the needs of our clients better than anyone.

Servicing and repair - We can service and repair all of your equipment for you, at unbeatable prices. We can offer annual service and repair agreements, providing you with access to our 24hr emergency repair hotline, as well as regular servicing and PAT testing on all your equipment, so you don't need to worry. Or if you like, you can use us on an as-and-when basis!

Our Products - As well as holding information on all our services, our website also has a huge online shop, where you can browse through hundreds of items such as mobile hoists, daily living aids, profiling beds, and much more. If there is anything you need, chances are that we have it!

Rentals - If you only need a piece of equipment for a certain period of time, we can match your needs. Most of our products are available to rent, either short-term, or long-term, and are available at very competitive prices, such as wheelchairs from £2/day!

Equipment Installations - Thanks to a team of highly skilled engineers and well established connections, we can offer complete installations of the following:

- Ceiling hoists
- Wet rooms
- Walk-in & powered baths
- Stair lifts
- Gantry hoists
