Christmas in July

is a Dinner Dance event organised by the Parents Club of Nadi Airport School, for the purpose of fundraising for the School Fence Project.

This has been a long term project for the parents of the school over a number of years. The Fence is vital for several reasons, including Health issues due to the unrestricted access of dogs around the compound. These dogs leave droppings in and around the areas our children play in.

We also have security issues with school buildings and property being vandalised after hours. Due to limited funds, the school cannot afford a permanent night watchman. A fence will help act as a deterrent in these cases.

Your support of this event is essential. Perhaps this Event may not be your cup of Tea, but you can still show support by helping to sell tickets to this event to friends or work colleagues.

Vinaka vaka Levu.
