

In Brief...

SPANNERS & SPONGES

'Pete hosted another successful Spanner & Sponge event which attracted a great variety of 924s. Some work was actually managed between the banter as Danblez replaced his front brakes (Mark D fabricating a new caliper pin in the process), Kozzy fixed NWNS's electric window and Rich H advised Lorky that oil would be an asset to his engine.

Much fun was had by all and the Turkey that gave its life for the event was consumed rabidly. We'll have another one soon so make sure you make the effort to attend.
