

International
Saab Clubs Meeting
Great Britain 2013

Celebrating 50 years of British Saab Clubs

Clubs Newsletter – October 2012

Dear fellow Saab Club...

As you will know, Great Britain is hosting the 2013 International Meeting of Saab Clubs. Those of you who were at the 2012 meeting in Spa will have heard that it will take place on August 2-4 at Wicksteed Park in Kettering, which is in the East Midlands area of England, surrounded by rolling countryside and picturesque English villages.

We chose this venue because it offers a huge variety of family entertainment, as well as good quality camping facilities and excellent catering. We also trialled the venue for our 2012 National Rally (above photo).

It is very easy to access from all major ports. We are working hard to ensure that the 2013 “International” is a family event that appeals to everyone, not just the Saab enthusiasts!

Our full programme is still under development, but we will publish details as soon as possible. In the mean time we wanted to give you early sight of the kinds of things we have planned, which we hope will tempt you to bring your whole family and spend a pleasant holiday here in Great Britain...
