

# Dropped Stitch Scarf

## Supplies

Unplanned Peacock Studio DK weight yarn, 4 skeins for the scarf and 6 skeins for the shawl. These skeins can be in 2 colors that complement each other or all of the skeins can be the same.

About 5 yards of waste yarn

12" #10 needles

Construction of scarf (shawl): With waste yarn, cast on 33 (47) sts. Knit 2 rows. Join 2 strands of DK yarn, and knit with 2 strands of DK held together for the rest of the project. Row 3: Knit. Row 4: Knit into the back of each stitch to make a row of twisted stitches. Knit until you are out of yarn, leaving enough for a bind off row. Bind off row: \*Bind off 5 sts. Pull the loop of the 5th stitch open and bring the live yarn balls through the loop, and pull tightly. Knit 2 sts. Repeat 3 (5) times. Bind off final 5 sts. Remove needle. Remove the waste yarn and drop stitches all the way down the scarf. It won't unravel!
