general information

artwork

Camera ready artwork is defined as black and white color separated positive image with clean sharp lines that does not require any alterations. Photocopies, faxed art, sketches, stationary, business cards and other imprinted products are not considered camera ready and may be subject to an art charge. The Express Line reserves the right to reject any art that is not considered camera ready. Art will be charged at an hourly rate of \$60.00(g). Art will be quoted before production begins. IF NOT SPECIFIED ON THE PURCHASE ORDER, ART SIZE AND PLACEMENT WILL BE AT THE DISCRETION OF THE ART DEPARTMENT.

electronic art

Artwork may be provided on CD-ROM or via email. Files must be vector format with all fonts converted to outlines, curves or paths. Bitmap files will require an art charge. We accept the following formats: Adobe Illustrator CS6, CorelDraw X3 and Photoshop CS6 (four color process only). Emails must specify distributor name and purchase order number.

typesetting

There will be a \$20.00(g) typesetting charge for all straight-line copy, up to three lines. Unless otherwise specified, typestyle is at the discretion of the art department.

halftones

Artwork containing halftones must be supplied to size with all halftones at 60 line screen (LP) or dots per inch (DPI).

cancellations and changes

The Express Line reserves the right to commence production upon receipt of the order. Customer will be required to pay for all work completed at the time of cancellation. Any changes requested after artwork has been prepared for production may incur additional film and screen charges. All cancellations and changes to any pending order must be submitted in writing.

change of color

\$20.00(g) per color. Must be in full case quantities.

claims

All claims other than those involving freight carriers must be made within 10 days of receipt of merchandise. No returns will be accepted without prior written consent of factory. No merchandise will be accepted for return after being altered, or otherwise used. Factory disclaims any responsibility for goods after 30 days in buyer's possession.

confirming orders

Factory will not be responsible for any duplicate shipments that occur if "confirming" does not appear on any follow-up or faxed orders.

copy changes

There will be a \$30.00(g) charge for all copy changes up to three lines. If four or more lines are changed, new screen charges will apply and will be invoiced accordingly. CHANGES IN COPY MAY AFFECT SHIP DATE.

distributor overrun

Upon request, overruns will be sent at cost of item plus freight.

drop or split shipments

Drop or split shipments are billed at \$8.00(g) per drop ship location after the first shipment. Drop ship list must accompany order. DROP OR SPLIT SHIPMENTS MUST BE IN FULL CASE QUANTITIES (BROKEN CASES ARE BILLED AT \$16.00(g)). FREIGHT EQUALIZATION DOES NOT APPLY TO DROP SHIPMENTS.

gift and mailer boxes

Gift and mailer boxes are available for most items. Allow additional production time of 1-3 days. Specify gift or mailer (3g). Note: pricing below refers to standard gift and mailer boxes only.

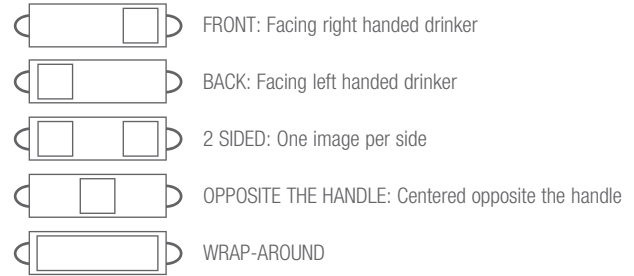

item size	single	2-pack	4-pack
1 - 11 oz	1.50	2.00	2.50
12 - 16 oz	1.70	2.25	2.60
17 - 20 oz	1.80	2.45	3.00
24 oz & larger	2.25	n/a	n/a

imprint colors

The Express Line offers a variety of glass, ceramic, and organic inks. PMS colors are paper colors and will be used as reference only. Due to the nature of ceramics, glass, and the firing process, absolute exact matches cannot be guaranteed. A pre-production proof is strongly recommended when imprint colors are critical.

imprint size and position

Order must clearly specify if artwork is one side, two sides, opposite the handle, or wraparound. Order must also clearly state if artwork is to exact size, or should be enlarged or reduced. In the absence of these instructions we will use our own discretion. If specific instructions for art size and location are not clearly stated on the purchase order, no claims will be processed. Imprint locations are defined as follows:

indemnity

When orders are manufactured to customer's specifications, the customer shall hold The Express Line harmless from any liability for trademark, patent or copyright infringements, proprietary rights violations, invasion of privacy or other personal or intellectual property rights infringements or violations. All materials submitted by the customer for use by the factory to produce items ordered will be considered by the factory to be in full compliance with all applicable laws in regards to trademark, service mark, copyright, patent, or similar protection, and the customer has all of the legal rights and authorizations to grant factory a limited license for the express purpose of reproducing such materials on the products. It is the customer's responsibility to provide appropriate legal lines to The Express Line for inclusion in the art.

less than minimum (ltm)

Orders for LTM must be at least half of 1st column quantity. A \$50.00(g) LTM charge will be incurred in addition to normal screen charges.

master cartons

Additional packaging is required for any ceramic or glass orders shipping via parcel service carriers (UPS, FedEx, DHL). See website for additional charges.

nature of ceramics and glassware

Due to the inherent nature of ceramics and the properties of glassware produced by foreign and domestic manufacturers, there may be slight imperfections and irregularities which should not be perceived as defective. Variations in materials, firing temperatures and color pigments may result in variations in glaze and imprint colors. Ounces, sizes, and measurements are approximate and may vary from batch to batch, and within each batch. These variations are within industry standard and therefore must be considered acceptable.

non-imprinted merchandise

Catalog end quantity price (c) less \$0.40 (c). Must be in case quantities.

ordering

To ensure that your order will be processed as quickly as possible and to ensure that all ship dates will be met, please be specific on your purchase orders. Please type or print legibly our item number, quantity, imprint color(s) and location, complete shipping information, and any other information relative to your order. Factory will not be responsible for any misinterpretation of copy layout on handwritten orders or layouts. Unless otherwise specified, factory reserves the right to select fonts and rearrange copy for best appearance or to meet product limitations. It is important that a ship date be included to expedite your order. The Express Line will only be responsible for meeting ship dates and cannot guarantee in-hands or special event dates due to carrier delays.

general information

Please carefully proofread all artwork for accuracy as factory will not be liable for errors in submitted artwork. On re-orders please include the previous invoice number as well as the month and year of the previous order. A brief description of the imprint is also helpful. Also specify if there will be color or copy changes. We cannot guarantee exact color matches on repeat orders due to reasons described in "Nature of Ceramics".

over/underrun policy

To maintain quality control, we reserve the right to ship up to 10% over or under the quantity ordered and bill accordingly. Orders which specify "exact quantity" will have that quantity only decorated and could result in an overrun after firing. This is industry standard and must be considered as fulfillment of the order.

paper proofs

Initial paper proof will be sent at no charge.

Subsequent paper proofs may incur additional charge of \$15.00(g) each.

personalization

Personalization is not available.

precious metals

For metallic gold, microwave safe gold or platinum imprint add \$.75(g) per side and \$1.50(g) for wraparound. THIS IS IN ADDITION TO REGULAR COLOR CHARGES. We reserve the right to change precious metal imprint prices at any time according to the current market conditions. Metallic inks require special care, and may wear off with dishwasher use.

precious metal bands and halos

Metallic gold, microwave safe gold, or platinum band add \$1.50(g) each.

Metallic gold, microwave safe gold, or platinum halo add \$.75(g) each.

production time

Standard production time is 7-10 working days from receipt of order and camera-ready artwork at factory. Orders pending pre-production proofs, artwork, credit approval, pre-payment, or special packaging may extend ship date. Any changes to an order in progress and/or art revisions will delay production and ship dates. PLEASE ALLOW ADDITIONAL PRODUCTION AND SHIPPING TIME DURING THE PEAK MONTHS OF OCTOBER THROUGH DECEMBER, AS WELL AS CUSTOM ORDERS AND ORDERS REQUIRING SPECIAL PACKAGING.

CPSIA, FDA and Cal Prop 65

Our products and inks are regularly tested to exceed all applicable federal and state regulations, laws and standards for drinkware products, including, but not limited to, those applicable to CPSIA, FDA and Cal Prop 65. Our products comply with all applicable safety regulations, including those for lead, cadmium, phthalates, and BPA. Certain product and packaging labels/markings, such as those for country of origin, "BPA-Free", identification of the importer/manufacturer, and tracking labels are required by law. Exceptions cannot be made although every reasonable effort is made minimize our company's brand markings on products, packaging and care sheets (i.e., The Express Line uses its ASI number as the least obtrusive means to comply with producer's identification requirements).

registration tolerance

Tolerance on multi-color tight registration artwork is 1/16". This tolerance is industry standard and must be considered acceptable.
