**BECOME A CATALYST IN ENDING A CYCLE OF VIOLENCE AND
CREATING A CYCLE OF LEADERSHIP**

L.E.A.D. is a ten-week youth mentorship and leadership program for students from grades 5, 8, and 11. The mentors will be select students from Dickinson College.

The mission of L.E.A.D. is to create a safe space where students can **LEARN** about social justice and diversity issues, to **EMPOWER** bystander intervention and to encourage students to **ACT** with self-respect and respect for others, and to **DEFINE** their passion in today's culture. The curriculum will be based on pre-existing prevention and education models that include race, gender, culture, safety, media, and cyber-bullying.

During the end of L.E.A.D., a celebration will be hosted to honor the graduates as L.E.A.D.ers. The graduates will have an opportunity to present their personal work (speeches, poetry, etc.) to all graduates, family, and friends.

L.E.A.D. aspires to cultivate beacons of leadership and to create a sustainable cycle of leadership that will impact our community.
