Prologue and Introduction

This short Handbook was developed in order to educate new and existing Deputies of the procedures, protocols and code of conduct whilst wearing the badge of the San Andreas Sheriff's Department.

The San Andreas Sheriff's Department is one of the main frontline forces that is here to enforce the law whilst working alongside other local and state departments including the Los Santos Police Department, Los Santos Government and other agencies.

Message from the Sheriff

You have all been selected as being an important part of today's society. Those of you to have made it this far, I am sure will do us proud. We aim, as a department, to restore order and safety to the community of San Andreas, providing the fine line that there is between order and chaos. By taking on this role in society, you stand as a credit to yourself, your family and your entire community. The career which you have embarked upon is not an easy one, though it is an incredibly honorable one. We wish you the best of luck throughout this difficult path and shall be fully supporting you along the way.

San Andreas Sheriff's Department

Department Vehicles

There are several vehicles within the San Andreas Sheriff's Department. Some have restrictions based on division, bureau or rank. I'll go into detail regarding the vehicles you can and can **not** use below.

SASD Cruiser (LVPD)

The SASD Cruiser's are **not** restricted at all, every deputy has access to use these vehicles.

NOTE: There are restrictions based on jurisdictions for Deputy Sheriff Generalists. DSG's are not permitted to enter the City of Los Santos whilst **on duty** without prior permission from a Commanding Officer.

SASD Rancher (FBI Rancher)

The SASD Rancher's are **restricted** vehicles. Only certain divisions (listed below) are entitled to use these vehicles without prior consent.

- **Detective Bureau,**
- **Joint LSPD / SASD Special Weapons And Tactics,**
