JANUARY 2013

THE SPOTLIGHT

AMY CHILDS

Amy Childs at only 22 has many impressive titles under her belt; Reality TV Star, Fashion Designer and entrepreneur. She was the first of 'The Only way is Essex' stars to leave, she starred in Big Brother winning over the public AND has modelled for Vogue! We spoke to the star about her new eyelash range and what the future holds for her....

AS A BUSINESS WOMAN YOURSELF, WHO INSPIRES YOU?

I look up to Victoria Beckham. I love her as a businesswoman because not only does she design all of her own clothes and is involved with everything with her career, she is also great at juggling family life and being a mum too. I also love her fashion sense as well.

HOW MUCH INVOLVEMENT DO YOU ACTUALLY HAVE WITH THE PRODUCT DEVELOPMENT?

I am involved with absolutely everything from developing the products and choosing the packaging - that's so important to me and always will be.

HONESTLY, DO YOU USE YOUR OWN PRODUCTS?

I have got to be honest that I genuinely use all of my products! I always have big hair so Sleep-In Rollers are great for that and I basically bath in my perfume! My Amy Childs' eyelashes come in 8 different styles so I use different ones for the daytime and others for a more glam look when I go out. I love to have my nails painted in the Amy Childs' polishes and I use my Amy Childs' Fake Tan up to 3 times a week (I use the mist or mousse once a week and the gradual tan to keep it topped up. My tanning top tip is to make sure you moisturize every day and exfoliate once a week.)

"IF THE FAME ENDED TOMORROW
I HAVE MY WORK WHICH I LOVE
-I'M HAPPY OUTSIDE THE FAME"

IN BUSINESS WHERE DO YOU SEE YOURSELF IN TEN YEARS?

I would love to have Amy Childs' Salons and Amy Childs' Boutiques all over the Country. I would also like to open my own beauty academies as I'm so passionate about beauty!

WHAT PRODUCTS DO YOU HAVE LINED UP FOR 2013?

I am working on my fourth Spring/Summer clothing collection. Not forgetting my 2013 Amy Childs' Calendar and my fitness DVD! I love bringing out my own products but I would only ever bring out something that I loved!

AS AMY CHILDS YOU ARE ESTABLISHED AS A PERSON BUT ALSO AS A BRAND. IF YOU GET MARRIED WILL YOU CHANGE YOUR NAME OR KEEP CHILDS?

That's such a good question! Everyone know me as Amy Childs so it would be strange having a different surname. I haven't thought about that yet really as marriage isn't on the cards right now so you will have to ask me again in a few years time!

FINALLY, AMY, IF YOU HAD TO CHOOSE WHAT IT BE: CAREER OR FAME?

I work 7-days a week and work really hard and I love what I do - I am so lucky and I get some great opportunities. I go to great events but it is all about having a happy medium - if the fame ended tomorrow I have my work which I love. Everything I'm doing I'm passionate about - I'm happy outside the fame.

RED CARPET CORNER:

LYDIA ROSE BEWLEY

Before she was cast in upcoming comedy 'Drifters' we had a chat to Lydia who most will recognise from the hit blockbuster 'Inbetweeners'

1) OUT OF THE INBETWEENERS GUYS (CHARACTERS) WHICH ONE IS MOST SUITED TO YOU PERSONALLY?

"ummmmmm probably Simon...sweet and innocent and funny is always a clincher!"

2) IF YOU HADN'T BEEN AN ACTRESS WHAT JOB WOULD YOU HAVE LIKED?

"I would have wanted to look after animals and combine it with travelling. Orangutans hold a very special place in my heart after studying them for 3 months at drama school. I love them and I would love to go out to Borneo and spend some time helping to look after them. I just love animals!"

3) WHO INSPIRES YOU?

"My Mum and Dad. I love them and they are incredible people. My brothers also in all their many different ways. And my 2 beautiful Grandmas, for helping me to respect and love myself. They have taught me to believe in old values and romance and I am very grateful to them for that. Virginia Mckenna not only for her beautiful portrayal of characters but for her dedication to animals."

4) WHAT WOULD BE YOUR DREAM ROLE?

"My dream role would be to play a warrior queen, who has incredible strength and courage. I would love a part that i had to transform for, to learn skills that i would normally have learned. Basically anything period! or with singing! Queen Elizabeth would be just brill!"

ON THE CARPET WITH McFLY (Well 2 of them)

Back in November we covered the BAFTA Kids awards and had a chance to have a chat with Dougie Poynter and Tom Fletcher from McFly. We drilled them on song meanings, staying current and reality TV.

IS THERE ANYBODY IN MIND WHEN YOU'RE SINGING LOVE IS EASY?

D: Actually, you know that movie Love Actually?

T: The guy what's his name? He's in the Hobbit (**BTRC: Martin Freeman?**) Yeah, you know where they finally get together?...that moment is what our song is about.... [Look shifty] and of course its's about my wife!

HOW DO YOU STAY CURRENT OVER SUCH A LONG PERIOD OF TIME?

T: Persistence

D: Aggrivating persistence?

WOULD YOU VENTURE INTO WEST END?

T: I'd love to! That's where I started off! I just don't have the time...

D: They woudn't even let me into panto

T: HE'S BEHIND YOU!

THE ONE TO WATCH

DANIEL PORTMAN

20 YEAR OLD GLASGOW BASED DANIEL PORTMAN IS GEARING UP FOR HIS SECOND APPEARANCE AS PODRICK PAYNE IN SMASH HIT 'GAME OF THRONES'

1) WHAT HAVE BEEN YOUR BEST FAN EXPERIENCES SO FAR?

All fan interaction so far has been amazing. Surreal but so cool to have people from all over the place tell you they like your work and the show you're in. I keep getting asked if I'm in a band, so maybe I have a musical doppelganger.

2) DO YOU HAVE ANY RESOLUTIONS FOR 2013?

I don't really do them, I'm more of a 'do it and when I need to' guy

3) WHAT DO YOU HOPE TO ACHIEVE BY THIS TIME NEXT YEAR?

To have kept working, hopefully continued working on great projects with great projects with great actors, and to have travelled a bit, South America hopefully!

4) IF YOU COULD GO BACK 5 YEARS IN TIME AND GIVE YOURSELF ANY ADVICE WOULD IT BE?

Just calm down man.
