

Most people know someone who has had cancer or died of cancer. In my family alone there has been lung, brain, prostate, bladder, liver, and blood (Leukemia) cancer. **Relay for Life** supports the **American Cancer Society**. On February 10 Matt, Nicole, Kendall, and I will be bowling in a bowl-a-thon that supports Relay for Life. Help us help the American Cancer Society continue research to find a cure for cancer.

Donate to our team!!

To donate send a check to 1209 Marin St. Corning, CA 96021 made out to Relay for Life! Any size donation is greatly appreciated! Donations need to be received by Feb. 10. Thank you in advance!

I am bowling in memory of my Grandma Diane, Grandma Betty, Uncle Pat, and Uncle Gil, and in support of my dad, Aunt Susie, Uncle Sean, Grandpa Bob, and father-in-law Bob.
