

Party with The Pampered Chef®!

Hosting a Pampered Chef Party Hour is a great opportunity to get together with your friends, let a Consultant show you how to prepare a simple but spectacular recipe from a theme of your choice, taste the results and enjoy shopping from the comfort of your own home. All this fun in just one hour!

As a Party Hour Host you never pay full-price. You'll receive free, half-price and discounted products and a 10% discount for an entire year.

Whip up a party!

The Pampered Chef® Stainless Double Balloon Whisk has thinner wire and an exclusive shape to maximise aeration for more whipped cream in less time, making it the perfect Party Hour tool.

A party wouldn't be complete without a goody bag, so we would like to offer you a **FREE Stainless Double Balloon Whisk** in addition to all other host benefits, when you host a qualified Party Hour between 1st - 15th April 2013.

To book a Party Hour, call 0800 9 555 888 or email SolutionCentreUK@pamperedchef.co.uk and quote 'SD56'.
