## **EDUCATION**

---

**Ringling College of Art and Design**, Sarasota, FL  
BFA May 2012, Major: Computer Animation

## **SKILLS**

---

Texturing, Lighting, Designing, Drawing, Modeling, Problem Solving, Video Editing  
Programs: Maya, Photoshop, Premiere, Corel Painter, Sketchbook Pro, SharePoint, Fire Alpaca

## **EXPERIENCE**

---

### **Zeriva**, *Freelance Artist*

Helped develop and create the look for several informational tutorial style videos for Cisco installation and maintenance. Built a template for future video making in addition to editing and compiling footage and audio. Consulted on a new logo design and created an animated logo for use in the videos.

### **Lucid Global**, *Executive Assistant and Contract Artist*, Sarasota, FL

Performed various duties for the studio including SharePoint creation and maintenance, organizing files, sorting employee paperwork, Photoshop work including texture painting and asset organizing, low poly and high poly modeling, rendering and troubleshooting, creating storyboards and animatics for conceptual pitches, simple animation, creating informational presentations, filming with a 3D camera, taking reference and documentation photos, and other general CG and clerical tasks.

6/2012 – 11/2012

### **Senior Thesis**

Developed and presented a story reel based on an original idea. Designed the character, sets, and props with a cohesive style for the story. Modeled and built character, blendshapes, sets, and props. Rigged the Character, and some additional props and set pieces. Animated the character in a believable manner. Incorporated Fluids, Maya Fur, and Particles with a Fluid based shader. Built shaders that fit into the style of the piece. Light and render the final product.

### **Pinnacle Partners**, *Office Assistant*, Alpharetta, GA

Performed office and clerical duties such as; filing, database entry, scanning, and organizing data. 5/2008 – 8/2008

### **Piedmont National Corporation**, *Summer Intern*, Atlanta, GA

Performed office and clerical duties such as; accounts receivables and collections, invoicing, receptionist, computer data entry, filing, shredding, and faxing. Warehouse duties also preformed including; inventory, delivery scheduling, receiving, data entry, and shipping documents.

6/2007-8/2007
