Product Feature

- 3 READING MODES: Read & Play, Read To Me, and Just A Book
- READ & PLAY - In this mode, as you read the story to your child, they can tap and interact on each page.
- READ TO ME - A narrator reads the book and your child can tap and interact with the story.
- JUST A BOOK - This mode works like a good, old-fashioned picture book. It turns off all interaction and sound.
- EXCEPTIONAL LEARNING ACTIVITIES INSIDE THE STORY - Games further engage a child's imagination and to reinforce writing and counting skills.
- SING ALONG MUSIC VIDEOS - Your child will want to get up and dance with original music videos
- COLORING - Kids can tap into their creativity by painting some of their favorite characters and scenes!
