Department of Pharmacy Practice

The Department of Pharmacy Practice run by Chalapathi Institute of Pharmaceutical Sciences, associated with the Government General Hospital (GGH), Guntur which is concerned with the safe, effective and economic use of medications. The department is located on 2nd Floor, Out Patient Department Block, GGH. Our vision is to lead in the responsible provision - related care for the purpose of achieving definite outcomes that improves the patient's quality of life. Presently we are training 90 students of Pharm.D & working efficiently with other health care professionals by providing clinical pharmacy services to the various departments of the hospital.

Department of Pharmacology (Pharmacology Research Laboratory) maintains sophisticated and advanced pharmacological research instruments. Pharmacology research laboratory (PRL) is well supported with state-of-art, air conditioned, CPCSEA approved central animal house facility and Post operative care room. All the pre clinical studies are carried out with the prior approval of IAEC members including CPCSEA nominee.

CIPS Alumni Association (CIPSAA) includes 300 alumni members and performs activities like publishing CIPSAA News letter, therapeutic news letter and organizing seminars conferences and workshops.

Our Activities (Pharmacy Practice)

- Drug Information Services
- Monitoring completeness & accuracy in adherence to the drug therapy
- Patient counselling
- Monitoring & reporting of adverse drug reactions
- Preparation of Patient Information Leaflets (PIL)
- Monitoring & assessment of drug interactions etc.

Aim & Objective

This symposium aims to improve and share the knowledge on clinical pharmacy and pharmacology which are imperative in the present clinical environment. This will impart necessary communication among the students in all clinical pharmacy and pharmacology areas results in advancement of pharmacy practice and research studies.
