Hello have you gotten it sent out?

D.S. Cruz to frank

Not yet, no. I was watching my favorite soap opera, "All My Children" and it was so sad it made me cry! I cried my eyes out for hours and couldn't go to the post office because I was afraid people would think I was crazy! I will send it out later, as long as I don't watch "One Life to Live" – that makes me cry more!

frank jordan to me

Hello please hurry and do not watch any more soap opera until it got sent out, please thank you kindly. Send me the tracking number once it got sent. Wait until then to watch things to make cry.

But I don't know Segun Omonusi? My mother told me not to talk to strangers, and I think that also means not to send MacBook Pros to strangers either. Can you imagine how mad he would be if he got a computer he did not order! I do not want to make Mr. Omonusi mad at him if we haven't even met!

frank jordan to me

[show details](#) 3:57 PM (21 hours ago)

he will not be mad at all, i am the one paying for it don't you read my previous mail that i want it sent outta the state so that my cousin name that will be receiving the package okay so kindly get back to me once you are through with the shipment

the shipping to Nigeria is almost \$200 – oh my that's very expensive! Your family must be very rich to study abroad in expensive countries! Maybe it would be better if you just bought a plane ticket to bring him the laptop – I could help you get a great deal. If you buy a plane ticket through my Gilt Escapes link, we could both save a lot of money!

Or maybe we can send it a cheaper method – International Express like you asked costs a lot. Tell your nephew not to be greedy and be patient. Should I send it regular mail for \$60, or do you want my Gilt Escapes link?

frank jordan to me

[show details](#) 4:17 PM (20 hours ago)

no I don't want your gilt plane ticket. Please just send the laptop today and make sure you get tracking number to give to me. this is not hard to do please just get tracking number TODAY,, my nephew needs this laptop right away and I promis to send right away,,thankyou

have you gone to post office yet,,why is taking so long?

D.S. Cruz to frank

[show details](#) 10:50 AM (2 hours ago)

I wish my uncle would buy me a laptop and send it to me from another country. I hate my uncle, he drinks, smokes, and says shit a lot. Once he tried to put a cigarette out on my arm, and I told my father about it, then he kicked my uncle out of our BBQ.

That's not very nice – here I am, bearing my soul to a nice man I met on craigslist who is paying me even more money than I asked for my laptop – and he doesn't even care that I probably have emotional scars from my horrible family. Anyway, I mailed the laptop out today!!

frank jordan to me

D.S. Cruz to frank

[show details](#) 11:31 AM (1 hour ago)

That's okay, no need to trouble yourself, I can handle it. I'm sure they'll take care of it shortly. Sometimes American employees spend a lot of time on facebook and twitter and don't do there jobs. I'm sure once they finish farming their crops on Farmville, they will send the information!
