

Please join the Bennett family as we celebrate the eventful life of the widely beloved, fiercely loyal, doting and outrageous Dad, Gramps, "tio," husband, and friend -- the one and only Buck Bennett. If you knew him well or only as an acquaintance (or even not at all), please come and be part of an evening of friends old and new with Buck's favorite music in the background, his favorite foods on the table, and his preferred drinks in the cooler -- because that's how he wanted us to say farewell.
