

Mr. Shatner,

Apparently you're not up to date with your agent. You have and did verbally agree to do "There Goes the Neighborhood" which has been shortened to "Short Sale", a few years back, with Writer/Producer Floyd Byars. As far as we're concerned, Mr. Byars does have a verbal commitment from you and we apologize for this misunderstanding of you not being brought up to date.

We are a real, authenticated production company with Canadian partners and this confusion is slanting our good name into an area none of us would choose to be in; it is unfortunate. Our casting agent is Vicky Thomas and our entertainment attorney is Walter Batt, both of whom will be in touch with you and your agent ASAP. We are a legitimate production company and we are just as unhappy about the confusion as you are.

Sincerely,

G. John Paul
Intercept Entertainment
