

**PSEUDOMOTO IS A NASHVILLE, TN BASED MOTORCYCLE ORGANIZATION.** It was founded in 2010 as a small group composed of local riders who shared an interest in motorcycles. Now 200 strong, the group is composed of novice riders to experienced mechanics and restorers, making it a popular free source of motorcycle problem-solving and general information. PseudoMoto is a bike organization geared towards an 'everyone is welcome' stand point. The adjective pseudo is meant to keep attitudes in check about M.C. politics and enjoy motorcycling and moto culture for all.

**2012**, the first-ever mass organized event for PseudoMoto took place. The Inaugural Rally was a bike show, organized ride, concert, party for members, "non members", and anyone who likes a motor between 2 wheels! After testing the waters with the first Rally, PseudoMoto is set to make a great show for Nashville in 2013.
