\*) not quite interesting, right!

## about me

- fast learner
- hybrid, both single or team player
- flexible, as a leader or to be leaded
- internet addict
- art technology admirer
- result and target oriented
- you name it!

if you seen this, it's me!

## my goal

with more than seven years experience as an (amateur and uncreative) graphic designer specializing in printing and publishing.

is my passion to extend my skills to other related field, such as UI/UX designer, front end web designer, etc.

i'm ready for challenge!  
life is learn, work is fun!
