

HOODS  
UP

DEAR TRAYVON,  
WITH FLOOD, WITH FIRE  
STRENGTH, AND STEEL WE'LL  
SHAKE WHERE THEY'RE STAND-  
ING AND TEAR THEIR LEGS OUT.  
REST NOW AND NEVER BE  
FORGOTTEN.

# FUCK THE VERDICT FUCK THE VERDICT

Trayvon Martin was not murdered only by George Zimmerman, but also the State which set up the “Justice System” in which a grown-man can get away with the murder of a 17-year-old, and the Media for providing an extensive character-assassination. Trayvon Martin was also murdered by the Jurors, who are now responsible for taking part in perpetuating systemic-racist-violence.

And now the police, the politicians and the clergymen wish to murder the memory of Trayvon Martin by pleading for everyone to “remain calm” or to “raise your voice, not your hand” in hopes of maintaining “peace and order”, which depends on a systemic violence directed towards the downtrodden and exploited. It is becoming increasingly clear that we must think for ourselves and act accordingly. Would Trayvon’s memory truly be respected and honored if people expressed their discontent by merely shuffling around the sidewalk under the hatefilled gaze of the police?

“Justice” cannot be expected from a system that thrives off the exploitation of the many for the prosperity of the few. How are we to react? Remain passive in the face of an ever-increasing violent reality of day-to-day life? Or get with a crew and make our rage known...

For Trayvon, Marissa Alexander, Aiyana Stanley, Jordan Davis, Oscar Grant, Kenneth Harding, John T. Williams, and for ourselves; keep your hoods up, honor the dead and fight for the living.
