The Rockstar Academy - ROCK SCHOOL PROGRAM is a unique experience that takes students from the classroom to the stage in the same facility. Students will be grouped into small "bands" and jam together on popular rock songs.

- Weekly private lesson on your main instrument
- Weekly two-hour band rehearsal to hone the performance as a group
- Emphasis on stage presence, musicality, and performance
- Wide variety of popular rock tunes covered in the program

The Rockstar 101 program is designed for kids who know the basics of how to play their instrument and are ready to take it to the stage. This program introduces a group vibe into music instruction.

Students will have the chance to rehearse & perform on our onsite venue **Revolution**.

Student Concerts will be held every 12 weeks at our on site venue.
