

THE
GREEN PAINTER

COMMUNITY GIVE BACK

The Green Painter Community Give Back Program sends 10% of all paint sales back to local schools in an effort to green our community. Schools can use the money in a variety of ways such as starting a garden, painting a mural, providing healthier snack options or even taking a field trip to a local farm. However the money is spent, the important thing is that our schools and our community become healthier, smarter, greener place.

Have your school administrator fill out this form and send it either electronically to info@greenpainter.com or mail it The Green Painter 321 W 19th St Suite A Houston, TX 77008. Once we have received the signed consent form, 10% of all paint purchased by parents, students, teachers and staff from that school will be donated back to the school for a purpose of their choosing.
