

MASTER OF DIVINITY IN CHRISTIAN EDUCATION

A 90-Unit Three-Year Degree Program

Degree Program Description

The Master of Divinity in Christian Education is designed to prepare students for leadership in church and para-church educational programs. It enables students to formulate a biblical philosophy of education, understand principles of the teaching-learning process, and develop skills and values essential for teaching and administering educational programs in various settings. Key objectives of this concentration include holistic formation (academic, spiritual, and professional) and praxis (the integration of theory and practice).
