

During our visit with my sister's family, my nephew Micah and I shot the next installment of his, Edge of Darkness series. It's always fun to get to mess around with him! :) It was a great visit overall! All my nieces and nephews are all getting so big!!

My Grandmother died in August this year, so we went up to Pennsylvania for her service and burial we also went to New York to visit family.

At Lake Ontario >

At Lake Ontario, I got to drive a jet ski for the first time! It was SO fun! It was Hilarius when Dad rode the jet ski, he looked like he was going to fall off!

Our trip to Pennsylvania was awesome It was a great time of rest, and activity! From going to the library, to going cosmic bowling, it was so awesome! Loved it.

One word: Buffalo wings! I received some of the best wings on the planet on this trip. the surprise was, there was like no chains around so we went to these local places that killed it!

While in New York we got to go hiking at letchworth State Park! I love hiking, so it was a special treat! The falls were amazing!
