Coleman Tech - Gabriel Esguerra was chosen to be featured in the newspaper for his artwork! I interviewed him about his artwork in Mr. Nelson-Burger's 3rd period art class. I asked him some questions about his interest in art.

Gabe The Talented Artist's Art Piece #1

"This stippling project took quite awhile, but it was worth it. It's not the best and it was hard, but I did it :)" - Gabriel Esguerra

The following are the questions that were asked and his responses to those questions. He told me everything inspires him.

Gabe! The Artist's Art Piece #2

I asked him what he puts in art that represents him or a part of him. He told me the style or what he has drawn.

"No one, I just found it enjoyable." Gabe said when he was asked who inspired him to be an artist.

"The objective of this picture was to draw multiple still life objects. Sadly it wasn't French girls, but hey it's art :)" - Gabriel Esguerra

The Talented Gabe Art Piece #3!

I asked Gabe how long he has been interested in art, his response was he has been interested in art since he was in kindergarten. That is a long time and a lot of commitment, but I must say, he is VERY talented!

"This was the first project that we did for art. It was to select a word and then draw a picture of it. Can you guess mine? (It's warm.)" - Gabriel Esguerra
