Day 189 - Before

Day 189 - After

before

after

You can literally make a rug out of tee shirts.
Look at that shit

Damn, girl.
That rug must feel like a pile of old shirts.

inside out
obvs

Wow beautiful

"trash to couture"

Ecosalon

sustainable
fashion

David Benjamin Sherry

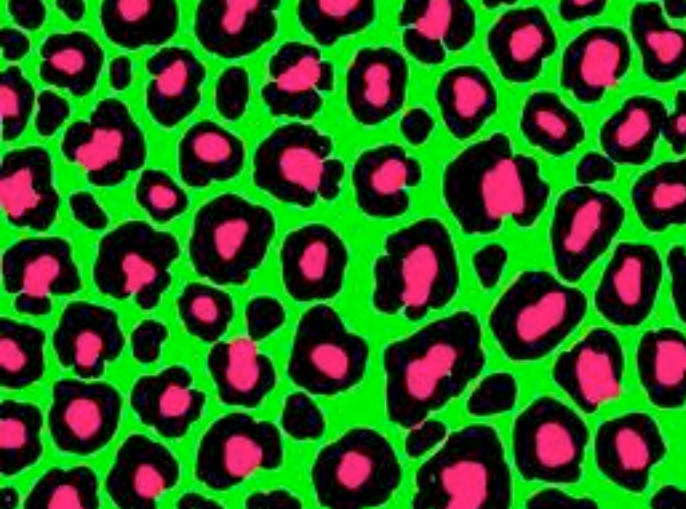

The first recorded
use of the term
“upcycling” was
in 1994

by Reiner Pilz (a European guy)

yes This is good d
BR nN
fuc ouh
No thank y ou sir

no

we

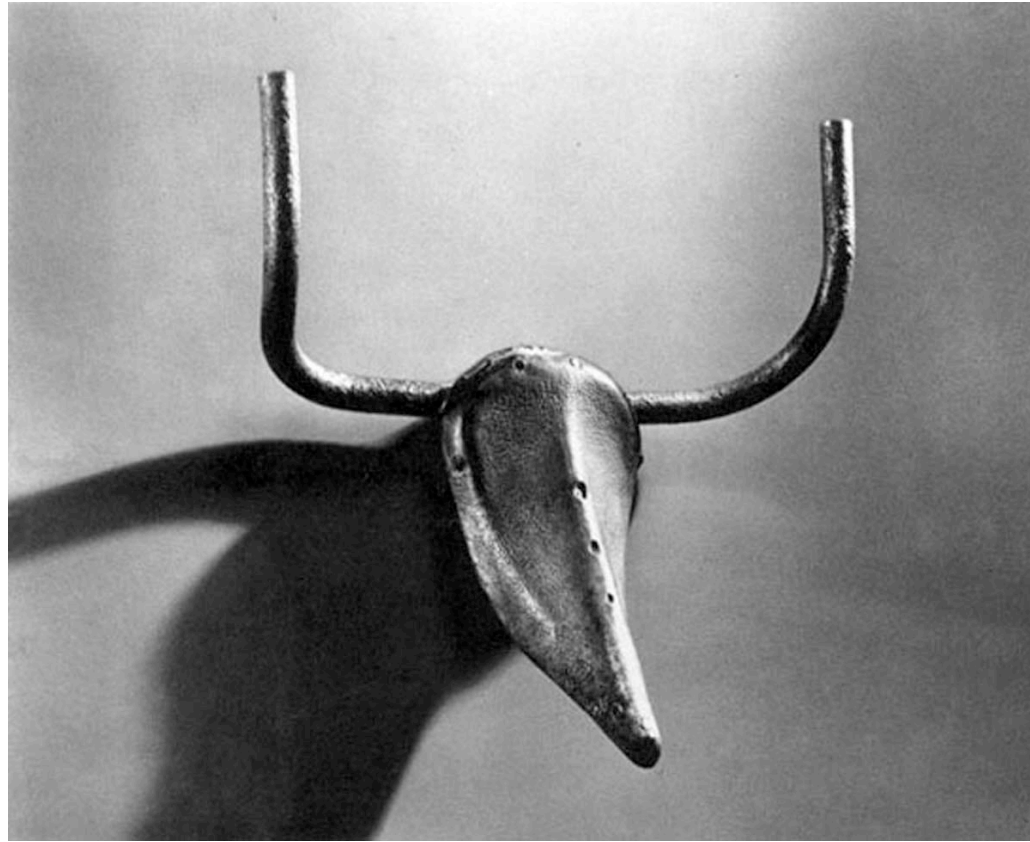

don't

Sell slightly ugly things

Simon Rodia's Watts Tower

even Picasso did.

Romuald Hazoumé
