Please do your best to describe what it is you are ordering. State the type of jewelry (necklace, ring, bracelet, etc.), the style (i.e: if it is a necklace, is it a lace necklace, pendant necklace, etc.), and any details you wish for it to have. The better you describe what it is that you want, the better I can make something that you will love! If you are paying by money order, please allow time for me to receive it before shipping. If there is a deadline for when you need your order by, please let me know at time of order placement. Please, if you opt to pay the \$10 down payment, please be able to pay the remaining balance with 2-3 business days of my notifying you that your order is completed.
